Recessional

Freebird - Lynard Skinard

Having passed so young at 34,
Derek leaves behind his devoted Dad, Rod;
his loving Mum, Jo; his cherished Gran and Gramps;
and his younger brothers, Mike, Guy, and Trent.
Most dearly of all, he is survived by his two little ones
whom he absolutely adored — Ava, nearly 4, and Axl, nearly 3
and his beloved dog Roisin.

To say he will be deeply missed is such an understatement.
His absence leaves a tremendous void in all of our lives.
