Abide With Me

*Abide with me; fast falls the eventide;
The darkness deepens; Lord, with me abide;
When other helpers fail and comforts flee,
Help of the helpless, oh, abide with me.
I need Thy presence every passing hour;
What but Thy grace can foil the tempter's power?
Who, like Thyself, my guide and stay can be?
Through cloud and sunshine, Lord, abide with me.
I fear no foe, with Thee at hand to bless;
Ills have no weight, and tears no bitterness;
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide with me.*

Amazing Grace

*Amazing grace how sweet the sound
That saved a wretch like me!
I once was lost, but now I'm found,
Was blind, but now I see.
'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!
Through many dangers, toils, and snares,
we have already come;
'Twas grace that brought us safe thus far,
And grace will lead us home.
When we've been there ten thousand years,
bright shining as the sun,
we've no less days to sing God's praise,
than when we'd first begun.*
